It may be of interest to the student body that we are soon to have a male quartet. The quartet will be ready to appear in public in about a month, and will be able to give at least one encore. Comprising this quartet are Klock, Wesson, MacKay, Blake.

A CONSERVATION CALENDAR

Monday, we'll say, is our "heatless day,"
One cinder, one flicker, one coal,
Tuesday, well this is our "meatless day,"
One oyster, one herring, one sole.
Wednesday, oh, this is our "wheatless day,"
One corncake, one dodger, one scone.
Thursday, we must have a "sweetless day,"
One pickle, one lemon, one bone.
Friday will make a good "eatless day,"
One cheerful and glorious fast.
Saturday, call it a "treatless day,"
For all reciprocities past.
But Sunday, may Hoover forgive us, we pray,
If we should all happen to feel
A little more hungry than usual to-day,
And once more eat a square meal.

We are glad that Louise Spencer is well and at school again.

Mr. Heyward Bridges was a visitor on the campus Thursday.

Frederick Winer has returned to school after a few days illness.

Jess Dehon of the seventh grade has just recovered from a bad case of measles.

Callie Gissendanar has recovered from the measles and is again attending school.

A number of teachers from the Ocala schools went to McIntosh Saturday to attend the meeting of the teachers' association.

The Ensign staff and friends of Anna Belle Wesson sympathized with her during her illness and are exceedingly glad to have her back at school.

Quite a bit of interest is being manifested on the "ad." which appeared in the last issue of the Ensign from Fishel's store, offering \$1 for the best ad., and a number of answers or applications have been turned over to the advertising manager.

We have just received a copy of "The Oracle" of Montgomery, Ala. It is a most interesting school magazine in every department.

"The Saint Lucienne" of Fort Pierce is an attractive magazine. The articles are good and the jokes are not of the canned variety, though we would suggest that they have a few more.

We gladly welcome all exchanges, whether great or small.

Mr. W. V. Newsom has received a letter from his brother, George (Tinker) Newsom, from Base 6, wherever that is, but presumably in England, as he stated he was now paid off in pounds instead of dollars. Mr. Newsom wrote his people some time ago that he would sail on the 28th and would enter an English aviation training school, so that is where he probably is. He said there was another Ocala boy there, J. D. Metcalf, formerly with Edward Tucker of this city. Mr. Newsom stated that his mechanic told him he could soon take a flight.

TWO MORE DEFEATS

FOR THE O. H. S.

In a very one-sided game in Sanford the O. H. S. girls lost by a score of 50 to 5. It was one-sided because of the illness of Callie Gissendanar, on whom the success of the O. H. S. team seemed to depend.

The O. H. S. girls put up a good game but lacked confidence in themselves. There was no star playing done by either side except the work of Ruth Simmons and Mertie Blalock, Ocala's guards, who played a beautiful game and, Cora Lee Lillis, one of the forwards for Sanford, who made nearly all the points for that team.

The line-ups were:
Ocala—Forwards, Loureen Spencer, Ella Mae Rivers; centers, Kathleen Leitner, Louise Spencer; guards, Ruth Simmons, Mertie Blalock.

Sanford—Forwards, Mae Thrasher, Cora Lee Lillis; centers, Helen Hand, Helen Peck; guards, Ethel Henry, Dorothy Rumph.

Mr. Loonis Blitch refereed both games. In Orlando the game was lively and full of "pep," and at the end of the first half the score stood 6 to 6.

The team work of Orlando's centers, Annie Bruce and Sarah Davis, and the work of Ruth Simmons and Mertie Blalock were the features of the game.

The inability of Ocala's forwards to make goals was the cause of Ocala's defeat, for the teams were well matched and the game was lively to the end.

The score: Orlando, 30; Ocala, 6.

The line-ups were:
Orlando—Forwards, Ann Taylor, Elizabeth Robinson; centers, Annie Bruce, Sarah Davis; guards, Henrietta Rock, Frances Rock.

Ocala—Forwards, Loureen Spencer, Ella Mae Rivers; centers, Kathleen Leitner, Louise Spencer; guards, Ruth Simmons, Mertie Blalock.

After the game in Sanford the Sanford girls entertained at a dance at the Hotel Carns in honor of the Ocala girls. Music was furnished by an orchestra and the dance was full of "pep." Those girls who did not dance had a good time for the Sanford girls were lovely hostesses.

In Orlando, both teams were entertained at a dance at the home of Mr. and Mrs. Leroy Giles. Music was furnished by a Victrola and punch was served throughout the evening.

OCALA HIGH SCHOOL ORCHESTRA ORGANIZED

Last Wednesday night a jolly bunch of young people met at Sidney Perry's home and organized a music club. The object of this club is to prepare music for the high school, to broaden our knowledge of music, to make ourselves happy and have a good time, but yet work. We are very enthusiastic over our work and hope the orchestra will add some "atmosphere" to the West Coast School Meet in Dade City, March 1 and 2.

The members of this club are: Miriam Connor, piano; Margaret Little, mandolin; Sidney Perry, Lyndal Mathews and Cecie Roberts, first violin; Ann Benton Fuller and Nat Mayo, second violin; Dovie Gates, French alto; Bessie Marshall, trombone; Mabel Akin, clarinet; Francis Talbott, cornet; Charles Carnahan, piccolo.
